

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 15-7622

MARCUS D. THOMAS,

Plaintiff - Appellant,

v.

L. ROSS, RN; E. JOHNSON, RN; D. SPIERS, DON,

Defendants - Appellees.

Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. T.S. Ellis, III, Senior District Judge. (1:13-cv-00989-TSE-MSN)

Submitted: January 14, 2016

Decided: January 20, 2016

Before AGEE, WYNN, and FLOYD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Marcus D. Thomas, Appellant Pro Se. Elizabeth Martin Muldowney, RAWLS, MCNELIS & MITCHELL, PC, Richmond, Virginia, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Marcus D. Thomas appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2012) complaint. We have reviewed the record and find no reversible error. Specifically, we conclude that Thomas has presented no evidence that Defendants fabricated the documents submitted in support of their motion for summary judgment and that the district court did not err in denying Thomas' motions for appointment of counsel and to subpoena witnesses. Accordingly, we deny Thomas' motion for appointment of counsel and affirm for the reasons stated by the district court. Thomas v. Ross, No. 1:13-cv-00989-TSE-MSN (E.D. Va. Sept. 29, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
